

# Are you looking for a better dentist?

Dr Mark Casiglia heads up a team of 13

If so, consider this:

- At Apple Dental we listen to our patients. Our examinations are focused on providing as much information as possible so that our patients can make considered, informed decisions about their own management.
- We have a highly trained and a dedicated, friendly team of clinicians and staff who operate under strict protocols geared towards exceptional treatment and outstanding patient service.
- We are equipped with state of the art technology which allows us to deliver the best that dentistry has to offer, every day. From ultra low-dose digital x-ray to computer-assisted teeth reconstructions, at Apple Dental we have it all.
- Our range of treatments is extensive, from routine family procedures to cosmetic dentistry, dental implants and full mouth reconstructions.
- Our policy is to always attend to dental emergencies on the same day.
- Apple Dental is always spotless and our staff follows tight sterilisation protocols.
- Affordability is no problem as every level of treatment is always offered and we have interest free instalment agreements with no minimum amount to qualify.
- Our focus is on comfort. From complimentary freshly ground espresso coffee, to ceiling TVs in the treatments rooms, to the procedures themselves, you can be assured your visit will be far from a traditional dental experience.

Is there any good reason for *not* visiting Apple Dental?
